

## **ANNEXURE-1**

### **Note on regulatory and service functions of the Department of Urban Planning, Chandigarh Administration:**

The Secretary of the Department of Urban Planning is the Finance Secretary, Chandigarh Administration. The Chief Architect is the head of the Department of Urban Planning, which consists of two wings i.e. Town Planning & Architecture Wing. The Town Planning Wing comprises of two units headed by Division Town Planner who are supervised by a Senior Town Planner. The Architecture Wing comprises of six units headed by an Architect, supervised by two Senior Architects, which has technical staff to deal with the various projects of Chandigarh Administration.

### **Service functions of the Department:**

The service rendered by the office of the Chief Architect can be divided in two parts i.e. Town planning & Architecture Wing. The functions carried out by both these wings are mentioned below:

#### **Town Planning Wing:**

1. Planning & Preparation of detailed sector plans which includes preparing zoning plan for various govt. & private buildings.
2. Providing planning for new development schemes initiated by the administration such as I.T. Park, Education City, Theme park, Film & Multimedia City etc.
3. Earmarking of land for various Govt. Deptt. Projects such as Schools, Hospitals, Colleges & M.C. Projects.
4. Work out the projected requirements for growing needs of the city in accordance with the Master Plan & Stipulated land use for various pockets of land lying vacant.

#### **Architecture wing:**

1. Preparations of Building designs for buildings of various Govt. Departments and coordinate the work between the executing agency and the Client Department.
2. Provide technical advice on all architectural planning issues for various Boards and Corporations under Chandigarh Administration by the Chief Architect in her capacity as the Member of Board/Governing Body.
3. Provide architectural consultancy to Municipal Corporation.
4. Undertake Deposit Works for various State Government, Center Government and Public Sector Undertaking.

**Regulatory functions of the Department :**

1. The development and construction of various categories of buildings in the city is governed by provisions of standard frame control/Architectural Control and standard design prepared by this office. These statutory documents are part of the notified building rules.
  2. The Chief Architect is the technical advisor to the Chief Administrator, UT on all architectural and planning issues pertaining to the city's Master Plan and assists in framing policies and guidelines for the same.
  3. Officers/officials of the department designated by the Chief Architect are technical members of the Plan Approval Committee and advise the Chairman, PAC on technical issues pertaining to building plans.
  4. Appraisal of concept designs for various categories of buildings in order to provide constructive directions in the design process. This is important in context of new liberalized building byelaws regime wherein all types of buildings-Residential, Commercial, Educational etc are coming up in the city.
  5. The Chief Architect is the Member of high-level single window committee, which was constituted to facilitate conversion of industrial plots into commercial use and also for upcoming projects in IT Park.
-

## ANNEXURE-2

### PUBLICATION OF INFORMATION REGARDING ITEMS SPECIFIED IN RULE 4(1)(b)(ii) OF THE RIGHT TO INFORMATION ACT,2005

(The powers and duties of the officers and employees)

Name of the Department/Board/Corporation/Institution/Office
